SUPPLEMENTARY CATALOGUE

OF

SANSKRIT WORKS

IN THE

SARASWATI BHANDARAM LIBRARY OF HIS HIGHNESS

THE MAHARAJA OF MYSORE, *India - Saraswati Bhandaram Library*

BOMBAY :

PRINTED AT THE "INDU-PRAKASH" PRESS.

1874.

THIS Catalogue contains a number of MSS. many of which have been enumerated already in the 'Classified Catalogue of Sanskrit Works in the Saraswati Bhandaram Library of H. H. the Mahârāja of Mysore' published at Bangalore in 1870, but which for various reasons it was considered advisable to have recatalogued. This labour has been performed by learned S'âstris, and all I have had to do, has been to rewrite the Catalogue prepared by them in the Roman character, in order to make it appear uniform with the original Catalogue.

The numbers in the first column of this Supplement correspond with the numbers in the first column of the original Catalogue. The age of those MSS. which seemed to have been written within the last sixty years has not been given here.

F. KIELHORN.
