PREFACE

First three volumes of the Alphabetical Catalogue of Manuscripts were published in between 1972-74. But due to rapid rise in number of manuscripts during 1975 to 1979, it was felt necessary to prepare a supplement of the volumes which is now presented to learned scholars for reference.

In the first three volumes i. e. Alphabetical catalogue of Oriya and other manuscripts, Alphabetical catalogue of Sanskrit, Part I and II, manuscripts were dealt with categorically in different sections. In this present volume, we have added manuscripts to different sections as follows—

Veda-53, Tantra-126, Sanskrit Purāṇa-96, Dharmasāstra-346, Darśana-52, Jyotiṣa-143, Āyurveda-82, Oriya Purāṇa-334, Oriya Kāvya-586, Oriya Prose Literature-92, Oriya Historical Kāvya-54, Paper MSS-1173, Devanāgarī (Hindi)-125, Bengali-103, Telgu-5, Abhidhāna 35, Vyākaraṇa-33, Sanskrit Kāvya-141, Alaṅkāra-14, Music-15, Śilpa Sāstra-15, Gaṇita-18, Sanskrit Paper manuscripts-35, Bengali Sanskrit-24, Exhibits-159.

The important collections out of 3864 newly added manuscripts as detailed in the preceding paragraph are given here.

ORIYA PURĀNA

It is the second highest section of our collection. The number of manuscripts added as mentioned in the

earlier volumes are quite encouraging. The Purāṇas written by Oriya writers are different from the Purāṇas of other languages. The Oriya works are full of Odissi style of writing. Their description and story telling have got originality though based on Sanskrit Purāṇas.

The following are the important manuscripts of the newly added collections—

1. Adhyātma Rāmāyaṇa by Mīnaketana Dāsa.
2. Aṣṭādaśa Purāṇa by Sāraṅga Dāsa, 3-Ekādaśi Māhātmya by Hari Dāsa, 4-Puruṣottama Māhātmya by Jagannātha Dāsa, 5- Mokṣa Purāṇa by Mādhava Dāsa, 6-Vilaṅkā Rāmāyaṇa by Harihara Dāsa, 7-Śiva Purāṇa by Dīna Gopinātha, 8-Saptakāṇḍa Rāmāyaṇa by Siddheśvara Dāsa, 9-Hari Purāṇa by Daivajñā Padmanābha 10-Kṣetra Māhātmya by Dvijacandra.

Of the above mentioned manuscripts, Saptakāṇḍa Rāmāyaṇa by Siddheśvara Dāsa is most important one. It is accepted by the scholars that Siddheśvara Dāsa is poetic name of Sāralā Dāsa, the Great Oriya poet of 15th century. Vilaṅkā Rāmāyaṇa, Chāṇḍī Purāṇa and Mahābhārata of Sāralā Dāsa are published so far. But Vichitra Bhārata by Siddheśvara Dāsa which is published recently is far from style and descriptive approach of Sāralā Dāsa as available in his other works. Two Saptakāṇḍa Rāmāyaṇas bearing Nos-OrP-1431 and OrP-1432 are collected by the Orissa State Museum from Bhogarāī area in the Dist. of Balasore. It is a unique work of Sāralā Dāsa. It consists of all the Kāṇḍas of Rāmāyaṇa and has got similar type of style and

descriptions as noticed in other works of Sāralā Dāsa. He has beautified the work by narrating different attractive stories, activities of different deities, ghosts and demons. His style of story telling is so unique that one can not differentiate it unless goes through the original Sanskrit Rāmāyaṇa. Hence, it is the work of Sāralā Dāsa although mentioned as Siddheśvara Dāsa in all the chapters of the manuscript.

ORIYA LITERATURE

It is the largest section of our collection. We are proud to note that about 3000 manuscript pieces which may number about 9000 are included in Oriya literature. The following are the important manuscripts of the collections added to this volume. They are Ichhāvati by Hari Dāsa, Karṇṇadāni Līlā by Balarāma Dāsa, Kāli-mardana Līlā, Śrīkṛṣṇa Janma Līlā and Dadhvāmana Līlā by Lakṣmī Nārāyaṇa Anaṅga Bhimadeva, Kālamālaśrī by Viravara Jagaddeva, Chinnamastā Mālaśrī by Brajadhara Narendra, Kali Bhāgavata by Sadāśiva, Kaliyuga Purāṇa by Jayakṛṣṇa Dāsa, Kaivartta Gitā by Achyutānanda, Gopalīlā or Brajamānohara by Jagannātha Pāṇi, Chandrahāsa charita by Viśvanātha Āchārya, Damayantiśa Vilāsa by Dāsarathi, Nilamādhava Purāṇa by Jagannātha Dāsa, Brahmānda Purāṇa by Niari Raghu Dāsa, Mahānāṭaka Gitavinaya by Raghunātha Siṁha, Rasakalā by Dīnavandhu Harichandana, Vatriśa Siṁhāsana by Dīnavandhu Dāsa, Vilāsa Chandrāvati by Hari Dāsa, Harihara Chaturaṅga (translation) by Śrīnivāsa Rājamaṇi.

A new movement in Oriya literature began in the 19th Century i. e. Gitābhinaya (Songdrama). The Songdramas were very popular to the audience and were acted everywhere during the century—Lakṣmi Nārāyaṇa Anaṅga Bhima Deva of Baḍakhemuṇḍi was successful in creating some Songdramas namely Kāli-Marddana Līlā, Śrīkṛṣṇa Janmalīlā and Dadhivāmana Līlā. Another great writer of the century Jagannātha Pāṇi contributed twenty Gitābhināyas namely Dakṣa-Jajñā etc. and thus strengthened the Oriya literature.

Damayantiśa Vilāsa by Dāsarathi Dāsa, poet of 18th Century is a unique work written in 'Da' ādyānuprāsa. First alphabet of each line begins with 'Da' as available in Rasakallola of Dīnakṛṣṇa Dāsa which is a work of 'Ka' ādyānuprāsa and Vaidehiśa-Vilāsa of Upendra Bhañja which is a work of 'Ba' ādyānuprāsa. We had no other manuscript in 'Da' ādyānuprāsa and this 'Damayantiśa Vilāsa' although incomplete is the first work collected so far.

We are having manuscripts of Harihara Chaturaṅga by Godāvara Miśra, reknowned Minister and Rājaguru of Gajapati Pratāparudra Deva. But the transalation which is acquired recently is a new addition to our collection. The translation is an achievement of Srīnivāsa Rājamaṇi Deva, King of Mañjuṣā ruling in the first quarter of 19th Century A. D. Although incomplete, it is the first work in Oriya presented to scholars for their reference.

ORIYA PROSE LITERATURE

The important manuscripts newly added to Oriya prose literature section are Ardrā Oṣā, Triyā Charita, prose translations of Chaitanya Charitāmṛta and Mitralābha.

Triyā-Charita is a manuscript note worthy for collection of different examples of women well known for infidelity and treachery. Unfortunately the name of the author is no where mentioned in the manuscript.

ORIYA HISTORICAL LITERATURE

We are having a good number of manuscripts in our collection of Oriya Historical literature. The manuscripts are source materials for compilation of the cultural and political history of Orissa. The important manuscripts added to this volume are—Thākura Vamśāvalī, Puruṣottama Deula Kāryavidhi, Bhañja Vamśāvalī, Vāmaṇḍā Purva Sirastā.

Puruṣottama Deula Kāryavidhi is one of the important manuscripts of the collection. It deals with daily rituals, expenditure on daily pujās, bhogas etc. It is so to say a note on the economic history of Lord Jagannātha.

‘Bhañja Vamśāvalī’ by Piṇḍika Santosarā is another work among the newly collected manuscripts. It is an authentic and informative manuscript on the political and cultural history of Ghumusara and adjacent territories. It will be a valuable source in compilation of the history of Ghumusara as well as Orissa.

COPIED MANUSCRIPTS

Among the 1208 newly copied manuscripts added to this volume, Pada Kalpataru, Khemuṇḍirāja Itihāsa, Gañjāma Kaiphiyata, Gajapati Kaiphiyata, Guñjagītā, Guñigāreḍi, Gopa Charita, Dolachacheri Līlā are worth-mentioning.

Padakalpataru in four volumes are copied from the old printed book which is a rare and important one. Copies of Khemuṇḍirāja Itihāsa, Gañjāma Itihāsa and Gajapati Itihāsa are acquired from the Govt. Oriental manuscripts Library, Madras which may be utilised by the scholars in compilation of the geneological history of different dynasties ruling Orissa for centuries together.

Manuscripts on Guñigāreḍi are acquired shortly for our collection hundreds in number. When practices of tantras were unpopular in the society some yogis tried to write Guñigāreḍi mantras. Those are nothing but mantras meant to give relief to victims of different diseases. Treatment through mantras was an unique practice in the society and Mārana, Mohana, Vaiśya, Uchāṭana were the nucleus of Guñigāreḍi.

VEDA

वेदान् वेदान् वेदान् वेदान्

We have received important manuscripts like Atigraha, Habiryajña and Aśvamedha Brāhmaṇas, Puruṣabodhini, Gaura tāpini and Gopālottara Tāpini for our collection. The manuscripts are new and so far

our knowledge goes, those are not available in other libraries of India.

TANTRA

Tantra Chintāmaṇi by Godāvara Miśra, erstwhile Minister of Gajapati Pratāparudra Deva and Yantra Chintāmaṇi by Gorakhanātha are most important manuscripts of the section collected recently. Both of the manuscripts are pioneers of Orissan Tantras and Yantras and both the authors are famous scholars of Orissa. Gorakhanātha the famous Yogi of Nātha Sampradāya was also popular for his Bhajanas, Jāṇāṇas and Saptāṅga. Gādis, traditions and stories are found through out Orissa in the name of Gorakha nātha. This Yantra Chintāmaṇi manuscript has highlighted his genius and contribution to the subject.

Besides important manuscripts like Nityā Tantra, Mṛtyu Sañjīvani Kalpa, Svapnāvatī Kalpa, Vaśiṣṭha Kalpa, Śānti Kalpa collected for the collection have enhanced the dignity of the section.

SANSKRIT PURĀNA

Sūnya Saṃhitā in Sanskrit by Achyutānanda Dāsa is unique work collected shortly. From the Oriya works of Achyutānanda, it was ascertained that he was proficient in Sanskrit and might had written some Sanskrit manuscripts. But we had not acquired any Sanskrit work of the author prior to this. This Sūnya Saṃhitā has proved that Achyutānanda was a versatile scholar in Sanskrit.

DHARMA SĀSTRA

The important manuscripts added to this volume are Tithitattva, Dāya Tattva, Prāyaśchitta Tattva, Vivāha Tattva, Ahnikāchāra Tattva, Smṛti Tattva by Raghunandana, Adbhuta by Sadānanda Pāṇi, translation of Mitākṣarā by Srinvāsa Rājamaṇi, Vaiṣṇava Smṛtisāra by Lokanātha, Śrī Kṛṣṇārchana Paddhati, Sapindikaraṇa Srāddha Paddhati by Sambhukara Vājapeyi, Haribhakti Kalpalatā by Raghu Nāyaka, Haribhakti Sudhākara by Nārāyaṇa Maṅgarāja.

Although, Raghunandana was a famous Smṛti writer of Bengal, his works were widely popular in Orissa.

Haribhakti Sudhākara an important Vaiṣṇavite work was dedicated in the name of Nārāyaṇa Maṅgarāja, ruler of Khandapadā. It is a dated work of 17th century and its author was Dinabandhu Khāḍaṅgā, the famous translater of Śrimad Bhāgavata.

DARŚANA

Names of Oriya Philosophers are found in different Philosophical works but their works acquired so far are very poor in number.

Dravyabhāṣya Bhāva Prakāśa by Gopinātha Vājapeyi an Oriya Philosopher has enhanced the number of Philosophical works.

Recent acquisition of a tippanī on Govinda Bhāṣya of Baledeva Vidyābhūṣaṇa which is a monumental

work of Gopabandhu Vidyābhūṣaṇa will no doubt help the scholars in the study of the original work.

JYOTISA

We are proud of our rich collection of Jyotiṣa works. Acquisition of prose translation of Jyotiṣa manuscripts, old almanacs, Sāmudrika manuscripts by Jagannātha Dāsa have enriched our collections. Sārapradīpikā ṭīkā of Kāśīvara on Bhāsvatī of famous Oriya scholar Śatānanda who flourished in 11th century and Oriya prose translation of Sphuṭa Darpaṇa of Nārāyaṇa Āchārya are immortal works newly acquired for our collection.

ĀYURVEDA

The newly acquired manuscripts Nādilakṣana by Nāgārjuna, Go-chikitsā, Sārasaṅgraha by Narasimha Śena of 16th century A. D. and prose translations on Āyurveda manuscripts have enhanced the prestige of our collection. Research on the manuscripts, will no doubt throw new light on this subject.

LEXICON

Manohara ṭīkā of Raghunātha Dāsa of 18th century, Śabdārtha Vodhini ṭīkā of Murai Datta, Śabdārtha Śandīpikā ṭīkā of Nārāyaṇa on Amarakoṣa acquired shortly are important manuscripts in the subject and their study will help the Oriental scholars in their research.

GRAMMAR

Among the recently collected Grammar manuscripts, Vyākaraṇa Upakramanikā by Iśvara Chandra Vidyāsāgara of 20th century is worth mentioning. The manuscript is collected from Kothar area of Balasore District. Perhaps, some one has copied the manuscript from the printed book for which some Bengali meanings are found in the manuscript.

SANSKRIT LITERATURE

The Gitagovinda by esteemed Oriya Poet Jayadeva and different commentaries on it have enriched our collection. It is interesting to note that Gitagovinda manuscripts are available in good numbers in each village of Orissa and tradition of recitation of Gitagovinda in every Viṣṇu temple is quite remarkable.

We had the wrong notion that Chāṇakya was the author of 'Nītiśataka' comprising of one hundred ślokas only. But acquisition of a manuscript having seven hundred fifty ślokas by Chāṇakya compiled by Raghuṇandana has changed the notion. The manuscript was acquired from the District of Medinipur in Oriya character and is a most important work collected for our collection. In addition to this, different poetry and prose translations by different authors have enriched our collection.

The other important manuscripts added to this volume are Yuvajīvana Ratiśāstra, Vilāsinī ṭīkā on Jagannāthāṣṭaka by Hari Dāsa, Vṛndāvana Khanḍakāvya

by Mālāṅka, Saṅkalpa Sūryodaya by Veṅkaṭanātha, Padāṅkadūta by Rādhāmohana Śarmā, Nilādri Vilāsa by Jagannātha Dāsa.

ALAMKĀRA (POETICS)

Manuscripts on poetics are very meagre. Sāhityādarśa by Lokanātha Miśra, Sāhitya Darpaṇa Vivṛti by Rāmachandra Vipra, Sāhitya Ratnākara ṭīkā by Mahāmahopādhyāya Kṛṣṇa Miśra, Prabhasphurti ṭīkā on Lokanātha Dīksita on Sāhitya Darpaṇa, Kavi Kalpalatā ṭīkā by Sūrya Śarmā are important acquisitions of this collection.

MUSIC

Our collection of manuscripts on music are very poor in number. But recent acquisitions of Ādighāta-Vādyā, Kirttanojjvala, Tāla Nirṇnaya, Tāla Samgraha etc, are important music manuscripts in Oriya character. The music manuscripts of Kṛṣṇa Dāsa Baḍajenā Mahāpātra, Haladhara Miśra, Raghunātha Ratha, Gajapati Nārāyaṇa Deva, Yadunātha Siṁha are pride of our collection.

ART

The total number of manuscripts so far acquired in this section are only 37. We have not yet acquired any manuscript on temple architecture and iconography. Most of the manuscripts collected are on Vāstuvidyā. The recent collection of Silpi Samasyā of Bāuri Maharaṇā is a notable work.

GANITA

The important Gaṇita manuscripts added to this volume are Pāṭhasamudra by Vraja Dāsa, Dīnajana and Hari Ojhā separately, Vija Mālikā by Falabhadra Dāsa, and Chittabodha Chautiśā by Lokanātha. Discussion and research on the topic are needed which may unmask real genius of our ancestors.

SANSKRIT PAPER MANUSCRIPTS

We have acquired copies of some important Sanskrit manuscripts from the collections of different institutions and persons and Uḍradeśa Rājavamśāvalī, Śrī Jagannātha Ballabha Nāṭaka by Rāya Rāmānanda Paṭṭanāyaka, Braja Yuva Vilāsa by Kamalalochana Khadgarāya are worthmentioning.

BENGALI SANSKRIT

The Sāṃskrit manuscripts in Bengali character are limited in our collection. Since centuries together, Puri was the cultural centre and many scholars passed their days at Puri in the worship of Lord Jagannātha. They had also copied Sanskrit manuscripts in Bengali character which are now found in Puri area.

The manuscripts like Jyotistattva and Durgotsava Vidhi by Raghunandana Vaidya, Vivāha Paddhati by Paśupati, Sambandha Nirṇaya by Gopāla Pañchānana Bhaṭṭāchārya are notable.

EXHIBITS

Illustrations on palmleaves are notable for their magnificence and creative talents of the artists. The idea developed in art mostly based on mythological stories. The illustrated manuscripts like *Adhyātma Rāmāyaṇa Chitrāvalī* of 18th century, *Gitagovinda* illustrations by Dhanañjaya Vipra of 17th century are most important collections.

Some modern artists have ventured to enliven the tradition of engraving art in palmleaves and we have collected new paintings like *Kāñchi Abhiyāna*, *Kṛṣṇa Līlā*, *Rāmalīlā*, traditional decorations (*Veṣa*) of Lord Jagannātha and of different Gods and goddesses which may help the art-historians in their comparative studies.

Most interesting manuscript added to this volume is a manuscript of *Gitagovinda* on ivory plates. The ivory pieces are tanned to palmleaf sizes and the entire *Gitagovinda* is engraved only in seven plates having fine calligraphy. This addition has enhanced the prestige of our collection.

HINDI

Our collection comprises of 179 manuscripts on Sanskrit and Hindi languages. The speciality of the manuscripts is that those are written in Hindi language in Oriya character, and Oriya language in Devanāgarī character. The manuscripts in Oriya language written

in Devanagari are Dādhyatābhakti Rasāmr̥ta, Nāmaratna Gītā, Mathurāmaṅgala, Bhāgavata by Jagannātha Dāsa and manuscripts in old Hindi written in Oriya character are Durjayamāna, and Rāmacharita Mānasa.

Manuscripts like Viṣṇu Sahasranāma bhāṣya by Govarddhana Raṅgadeśika Sūri and Kṛṣṇa Prasāda Sūri are most important works of our Hindi collection.

BENGALI

Oriya poets like Balarāma Dāsa, Jagannātha Dāsa, Kṛṣṇa Dāsa, Rāmachandra Deva, Śekhara Dāsa, Raghunātha Dāsa, Dvārakā Dāsa, Padmanābha Dāsa, Duḥkhiśyāma Dāsa, Ananta Dāsa had contributed poems in Bengali and their works in great number are newly acquired for this section. Kavi Karṇa an Oriya poet has composed different Pālās in praise of Satyanārāyaṇa and Satyapīra.

Regarding printing of this volume, I must offer my thanks to Śrī B. K. Miśra, I. A. S., Additional Chief Secretary to Govt, who impressed on me the necessity of compiling Alphabetical Catalogues which would be very much helpful to the scholars as well as the common readers for finding out a manuscript in our collection.

I offer my thanks to Śrī A. N. Tiwāri, I. A. S., Secretary, Tourism, Sports & Culture who has been kind enough to provide funds for publication of this volume.

My hearty thanks are due to Śrī D. N. Pādhi, I.A.S. Ex-Director and Śrī P. C. Paṇḍā I. A. S. the present

(15)

Director, Tourism, Sports and Culture for their keen interest and encouragement in the publication of this volume.

I am greatful to Dr. H. C. Dāsa, M. A., Ph. D. the Superintendent of Museums, Orissa who has evinced keen interest in the compilation and publication of this volume.

I am greatful to Śrī K. N. Mahāpātra, ex-Superintendent of Museum and Archeology for his able and learned guidance in presentation of this volume.

I offer my thanks to Śrī K. K. Biṣoi, my Assistant and Smt. M. Mishra, Copyist who have been helping me aw!thll sin cerity for compilation of this work.

I hope to be excused by the readers for any omission and commission in presentation of this volume in print.

Prathamāṣṭami
29th Nov, 1980.
